

### *What did you learn today?*

Rocky View Schools Adult Learning (RVSAL) is committed to providing meaningful and engaging lifelong learning opportunities that will inspire a love of learning and community.

Funded in part by Alberta Innovation and Advanced Education, our goal is to address the part-time, non-credit learning needs of adults and communities of Rocky View. RVSAL also aims to increase opportunities for adults and their families to acquire literacy skills and to mobilize volunteer resources to support learning. Areas of programming include: English Language Learning, Adult Basic Literacy, Family Literacy, Employability and Professional Development, Community Issues and General Interest.

RVSAL seeks volunteer members, from all walks of life, to sit on our Community Learning Advisory Board. Advisory Board members provide guidance and support in identifying the unmet learning needs of the community and in setting the learning priorities for RVSAL.

Community Learning Advisory Board members should:

- Be enthusiastic about adult education and lifelong learning
- Live or work within the geographic area served by Rocky View Schools
- Have an understanding and willingness to share about the needs of their community
- Promote the value of continuous learning
- Be willing to commit time for advisory board meetings and other special events

*Help us to engage adults, enrich communities, and empower learners!*
